

## Cat Cage\*

Eliminate the need for costly catalytic converter replacement.

Protect your vehicle's catalytic converter from theft risk with Monroe's stainless steel Cat Cage, which keeps one of your vehicle's most valuable components safe while allowing easy access for service.

### Protect Your Investment

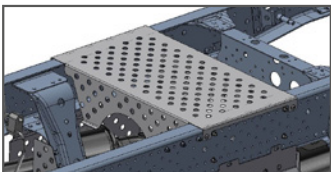

The Cat Cage bolts securely to the truck frame with tamper-resistant fasteners, surrounding all sides of the catalytic converter, deterring theft of this costly component and letting you rest easier when your truck isn't within sight.

### Features

- 14 gauge stainless steel, lightweight construction.
- Tamper-resistant fasteners.
- Installs easily and securely to frame rails using OEM attachment points.
- Available for cab chassis only - not available for pickup trucks.

#### Isuzu & Chevrolet Only:

- Accessible design allows grease access to drive shaft slip joint.
- Optional upper Cat Cage cover available on select models. Protects the catalytic converter on bare chassis when stored outdoors. Constructed of carbon steel with powder coat finish.
